NORRIDGEWOCK TOWN REPORT

**FOR THE YEAR ENDING
DECEMBER 31, 2009**

**THIS TOWN REPORT IS DEDICATED
IN MEMORY OF
HERBERT SIDNEY LIBBY**

SEPTEMBER 04, 1935 – DECEMBER 11, 2009

Herbert Libby was born in 1935, the son of Lloyd E Libby Sr and Clara Magner Libby, the youngest of eight children. He was a lifelong resident of Norridgewock and attended local schools. He graduated from Skowhegan High School in 1954. While in school, he participated in sports, especially football. He was on the 1951 Skowhegan High School football team which was undefeated.

His interest and love of sports continued throughout the years. He coached Little League teams, played softball and refereed many games. He was a life long fan of the Cleveland Browns and was the recipient of many negative remarks about his team, but he enjoyed the bantering and never ceased to love his "Browns".

He was a member of BPOE and the National Guard. His work history consisted of several years with Norrwock Shoe and he retired from Maine School Administrative District 54, where he worked in maintenance.

He served the Town of Norridgewock on several committees, including the Budget Committee, the Planning Board and the Norridgewock Recreation Department. His largest and most important commitment was to the Norridgewock Fire Department where he served as a volunteer for over fifty years. He loved everything about the Fire Department, retired as a Captain and when he could no longer go to the actual fires, he manned the radios and did whatever he was able to do. He made many friends through the department, attending meetings, softball games and Field Days.

Although Herbert never married, he thoroughly enjoyed his family. He always attended family get-togethers, reunions and weddings and had a great time.

Herbert was a good man, with a good heart, and had many, many friends. He will be missed.

Dear Friends and Neighbors:

It has been an honor to serve as the voice of Norridgewock and its residents in the Legislature for the past five years. As the Assistant House Republican Leader, it has been a privilege to address the many challenges faced by the state as we work towards improving our economy.

The First Regular Session came to a close on June 13 in the wee hours of the morning. During the six-month session, approximately 1,500 bills were considered by the Legislature with more than 250 recorded roll call votes cast in the House. Most of our time was spent debating a tax package that broadens the sales tax while decreasing the income tax for some and solutions to balancing the General Fund and Highway Fund budgets.

As the Second Regular Session begins, lawmakers will be faced with a large and daunting task of closing a significant structural budget gap. Legislators enacted a two-year budget in June that addressed a shortfall of approximately \$1 billion; however, we soon realized that additional action would need to be taken due to the poor economy as revenues continued to come in below projections. The current shortfall is more than \$435 million and I expect that figure to increase before the Legislature adjourns in April.

Governor Baldacci has pledged not to increase state taxes to balance the budget and I back him in that statement. Unfortunately, his budget proposal relies on reducing a number of property tax relief programs including the Circuit Breaker and Tree Growth. I and many of my Republican colleagues do not support this proposal. Our focus must be to find ways to streamline our government and making sensible structural changes that will reduce the cost of government without shifting the tax burden to the local level.

I would like to thank those of you who responded to my district-wide questionnaire last year; your feedback was truly appreciated as it helped me to better serve you, my constituency. I look forward to receiving additional input this session. Please feel free to contact me in Madison or Augusta at anytime if you have any suggestions, comments or concerns relating to a state matter.

Sincerely,

A handwritten signature in cursive script that reads "Phil Curtis".

Dear Friends:

In the past 10 years, health care costs in America rose 3 times faster than inflation. In Maine since the year 2000, health care premiums for small businesses rose by 90%, 5.4 times faster than people's earnings.

As a result, Maine workers have lost \$2500 of earning power and are now receiving less insurance protection although paying almost twice as much for it.

When economists tell us that 1/6 of the American economy is swallowed up by health care costs, we can see it right here in Somerset County. But it is just as true for a self-insured giant like General Motors that went bankrupt spending over \$1500 for employee health care on every car they sold last year.

And sadly, we are not getting as much as we should for all the dollars that we spend. 46 million Americans are perpetually uninsured and another 40 million are chronically without insurance. The Institute of Medicine says 18,000 Americans die each year for lack of access to health care. Most civilized nations provide health care for all of their citizens by spending less than 10% of their gross domestic product. Because Americans spend over 16%, the cost of health care imposes a 6% sales tax on every service and product that our economy produces.

America cannot remain competitive unless we bring these costs under control. Health costs in Medicare have created a staggering public debt. They are the single biggest threat to our economic security. At the heart of the problem is fee-for-service payment and the over-utilization that results. Too often our medical system pays more for process than for results, for volume rather than value. And quality suffers.

Regardless of what happens in Congress, it will still be the states whose job it is to bring health costs under control. I have supported or sponsored a number of Maine reforms that are now in the works:

- a statewide electronic medical records system to reduce errors and duplicate testing;
- a medical home initiative to provide each patient with a strong relationship to a family practice, to emphasize prevention, to manage chronic illnesses and to cut down on emergency care;
- "shared decision making" to help both doctors and patients make better choices in difficult cases;
- a global budgeting system for mental health services to allow agencies to serve all area residents, regardless of payment source;

- pilot programs for "accountable care organizations" in which doctors on salary are organized to work in teams as they do at the famous Mayo, Lahey and Geisinger Clinics and at Kaiser Permanente;
- other experiments to encourage capitated payments in lieu of fee-for-service; and
- better controls over prescribing narcotics for non-cancerous pain.

All of these measures have had bi-partisan support. America has a long way to go; but if a small and nimble state like Maine can figure this out, we may lead the way for other states to follow.

Dear Norridgewock residents and friends,

This past year, Mainers have faced many challenges. Yet as I travel across our state, I am inspired by the stories I hear of people coming together to help their friends, families and communities. I also continue to hear from many people who are worried about losing their jobs, heating their homes, putting food on the table and getting affordable health care. Although there are a few hopeful signs that our nation's economy is beginning to recover, there is much more we need to do to help Maine's economy.

As an example, I am very pleased that late last year the newly-created Northern Border Regional Commission received funding and will now be able to start working to create economic development and job creation projects in the most economically distressed areas of Maine, New Hampshire, Vermont and northern New York.

I am also pleased that Congress authorized a pilot program that would exempt Maine's interstate highways from the 80,000 pound federal truck weight limit and help get larger trucks off our back country roads. This is a good first step in addressing this issue, and I will continue to work to find a lasting solution that will improve road safety and increase productivity.

Our country has also taken important steps forward in protecting and improving veteran's benefits and health care. In October, I joined a number of my colleagues at the White House as President Obama signed the Veterans Health Care Budget Reform and Transparency Act. The legislation, which I helped introduce earlier this year, authorizes funding for the Department of Veterans Affairs (VA) medical care programs one year in advance of the start of each fiscal year, helping to end decades of uneven budget cycles and funding shortfalls that have contributed to the rationing of VA health care and inadequate access to treatment for our veterans.

Finally, my staff and I remain committed to providing quality constituent services whether it is help with cutting through red tape or a question about federal programs and benefits. If my office may ever be of assistance, please do not hesitate to contact me at my Waterville office at 207-873-5713 or by emailing me through my web page at <http://www.house.gov/michaud>. While on my website, I also encourage you to sign up for occasional e-mail updates on issues important to Mainers.

Thank you again for the opportunity to represent you in Congress.

Town of Norridgewock
P.O. Box 7
Norridgewock, ME 04957

Dear Citizens of Norridgewock:

In 2009, I began my third term in the United States Senate. I remain deeply honored by the trust the people of Maine have placed in me, and I appreciate this opportunity to report on some highlights of my recent work in the U.S. Senate.

A significant accomplishment came in December when the President signed transportation legislation that includes a provision I authored to create a one-year pilot project to allow trucks weighing up to 100,000 pounds to use federal highways in Maine. This is moving heavy trucks off Maine's secondary roads and out of our downtowns and onto our modern, multi-lane, controlled access highways for one year, during which time a study of the impact on safety, commerce and road wear-and-tear would be conducted. In addition, this change helps to level the economic playing field, as neighboring states already have this exemption.

My appointment in early 2009 to the powerful Appropriations Committee has allowed me to have greater influence on the funding of priorities that are important to Mainers, such as shipbuilding, health care, education, and transportation, while also giving me the ability to continue pressing for the elimination of wasteful spending that exacerbates our federal deficit.

As a member of the Senate Armed Services Committee, I continue to be an advocate for Bath Iron Works, the Portsmouth Naval Shipyard, the Maine Military Authority in Limestone, and the many other defense contractors and institutions in Maine that contribute so much to our national security. In August, I traveled to Iraq and Afghanistan and had the opportunity to meet with many service men and women from Maine. My conversations with them were the most important aspect of my trip to the region. Our troops are brave, dedicated, compassionate, and highly skilled. I will continue to work hard to ensure that they have the support their difficult missions require.

Perhaps the greatest challenge facing our nation continues to be the struggling economy, and among my highest priorities are getting our people back to work and our economy back on track. That is why in early 2009 I joined a bipartisan effort to pass the American Recovery and Reinvestment Act. The bill contains robust infrastructure spending, significant funding for state aid and education, and tax relief for low- and middle-income families and for small businesses. As a result of this bill, Maine is receiving approximately \$133 million for highway investments, more than \$50 million combined for the Clean Water and Drinking Water State Revolving Funds, and \$70.5 million for weatherization and energy efficiency projects.

Energy policy remains another great challenge: America's reliance on foreign oil harms our economy, our security, and our environment. Meeting the challenge of developing energy alternatives will provide great opportunities for Maine to build an economy for the future, with new industries and thousands of good jobs. This endeavor received a significant boost last October when the U.S. Department of Energy announced an \$8 million grant for deepwater offshore wind research at the University of Maine, and Congress also approved \$5 million I sponsored for the Maine Offshore Wind Initiative at UMaine. This January, the U.S. Department of Commerce announced a \$12.4 million laboratory construction grant for the University of Maine. I strongly advocated for these projects because, with some of the strongest winds in the nation off our coast and some of

Town of Norridgewock's Board of Selectmen and Town Managers Report for 2009

It is a great pleasure to submit the following report on behalf of the Board of Selectmen and myself for the fiscal year ending December 31, 2009. During this past year we have worked on several interesting projects.

On June 18th, 2009 the new Norridgewock Public Library opened at the Mercer Road location. The library was successful in obtaining a \$ 15,000.00 grant in February 2009 from the Stephen & Tabitha King Foundation to help with the costs of construction and set-up of the new facility. We also received the first installment, in the amount of \$3,900.00, of a two phase \$ 10,400.00 grant from the Bill & Melinda Gates Foundation for new computer hardware.

On September 19, substantial completion was met on Phase II of the Wilder Hill Road Construction Project. Due to construction costs the original 1.5 mile project was shortened by approximately 1,000 ft, which created a cost savings of approx. \$102,000.00. Our goal for the 2010 road projects will be to apply overlays to many of our roads, which should give road surfaces a longer life. We will be looking at purchasing a new dump truck, plow & wing for the Public Works Department. We plan to use the departments existing funds such as the capital improvement equipment fund \$50,000.00 (12/31/2009 balance) the \$60,000 normally approved for small overlay projects, with any additional funds, if needed, to come from the departments operating budget.

Due to the heavy amounts of rain that fell during May and June, 2009, the town experienced a land slide on the Sandy River Road adjacent to Sandy River. The event was included in the Presidential Emergency Declaration and we received \$ 35,245.00 from FEMA to cover the costs of repair. During the application process the town was featured in an informational video created by FEMA and can be viewed on-line, http://www.fema.gov/media/library/media_records/1262. This project is currently under contract; however the Natural Resource Protection Act permit application is still pending.

The Fire Department submitted a Fire Station Construction Grant application to the Department of Homeland Security in the amount of \$ 494,840.00. Our application met all of the criteria and we are "Shovel Ready". We are in hopes to hear about our applications status in the spring of 2010. The Department was successful at acquiring an \$83,547.00 grant, with a \$4,397.00 local share match, from DHS, for new SCBA's (Self Contained Breathing Apparatus).

The Town office has been working on learning the new windows based operating software that went on line in May. The office staff appreciates your patience and understanding as they continue to learn how to operate this software at its fullest potential. We have also been working on upgrading our web site, **www.townofnorridgewock.com** and are in hopes to have Selectmen's Meeting agendas and minutes available on line soon.

The Central Maine Regional Airport has new lots available for hangar development along with new hangar construction standards. Our Airport is currently the only airport in the State of Maine that has non-ethanol fuel available for pilots from all over the state and New England. Fuel can be purchased by individuals for small engines during the hours of 9:00-2:00 Monday through Friday. Please call ahead on weekends.

As you read this town report you will notice changes in the informational reports provided. This is the year that assessments are included. The report shows land and building values as well as exemptions. The most common exemption is the Homestead exemption which for 2009 tax bills was \$10,400.00. If Norridgewock is your primary residence and you do not see the exemption listed for your property, please contact the town office for details on how you can file for this exemption and save money on your taxes.

We have included, at the back of this book, the spreadsheets that have been used by the Board of Selectmen and Budget Committee throughout the budgeting process. These spreadsheets provide in-depth information about how the town spends the fund appropriated by you at town meeting and show how the dollar amounts for this year's meeting were calculated. Please remember that the town does not "line item appropriate" and that the individual items are used for monitoring and projecting needs.

As we prepare for the 2010 year and start to look toward 2011, we will be constantly looking for ways to save your tax dollars. We welcome your ideas and comments. We encourage you to attend the Board of Selectmen's meeting on the 1st and 3rd Wednesday of each month at 6:00 pm.

We would like to thank all of the members of the Town's personnel and the many volunteers that dedicate their time to enhance our community. Time, energy and community involvement are necessary to ensure the success of our town. We look forward to the coming year and hope that you will take an interest in working with us toward a bright future.

Respectfully submitted,

Michelle M. Flewelling

REPORT FROM NORRIDGEWOCK SPORTSMEN ASSOCIATION

The Norridgewock Sportsmen Association is a registered non-profit organization with the State of Maine. The club is organized and run strictly by volunteers. Funding comes from several sources, which include but are not limited to membership dues, grants, donations, fundraisers and raffles.

Our purpose is:

To promote a better understanding between recreational owners and the general public as to the proper use of recreational vehicles and the state laws governing them.

To promote among all outdoorsmen a greater respect for the rights of property owners and other sports enthusiasts

To encourage the use of recreational vehicles and the establishment of trails in a manner that will result in a minimum effect on the environment

To assist the surrounding communities in search and rescue efforts

To promote a better understanding between ATV and snowmobile users and land owners

To promote a respect with ATV and snowmobile users of land owner rights and concerns

To establish, maintain and promote the use of a trail system in the Norridgewock area.

We spend a large portion of our time and funding on pre and post season trail work as well as grooming and maintaining the trails for everyone's riding pleasure.

Our riding enjoyment is at the mercy of the gracious landowners that allow us to ride on their land. Without their generosity, our sport would only be enjoyed in our own back yards. The Norridgewock Sportsmen Association extends a sincere heartfelt "Thank You" to our landowners.

Our organization has a website: www.norrsports.org. It has a wide array of information and contact links about our sport and our operations.

Norridgewock Sportsmen Association Officers are:

President: Ed Miller

Vice President: Ed Butler

Secretary: Donna Davis

Treasurer: Donna Davis

Head Trail Master: Dave Davis

Membership Chair: Donna Davis

MSA Director: Bob Washburn

ATV Maine Director: Keith Curtis

Trail Masters: Jerry Wood, Mike Courtney, Ron Chase

REPORT OF THE ANIMAL CONTROL OFFICER ANIMAL CONTROL OFFICER'S REPORT

My position as the Animal control Officer started in June 2006. Within the last year there have been many dog/cat issues. Many owners had failed to restrain and license their dogs. There were also many violations regarding pet owners not vaccinating their cats and dogs with rabies vaccine, which is required by law.

I have assisted many pet owners with questions that they had about care and well-being of their animals. I am also available to help with any wildlife issues or problems that occur. Do not feed or approach any wildlife, as they may become aggressive or carry disease. If you see a sick or injured animal, please call the Animal Control Officer or your local Warden Service who can be reached through the non-emergency state police number.

If any Town resident has questions or problems, please don't hesitate to call and please leave a message if I don't answer as I may be taking care of a complaint when you call. I look forward to assisting the residents of Norridgewock with any pet owner questions or problems.

The annual Rabies Clinic was held with a wonderful turnout. Thank you again to Dr. and Mrs. Cooper and Ken and Christine Corson for their participation.

Unfortunately within the last month we experienced another case of rabies. I was hoping we would have another rabies free year as we did in 2008/2009.

RABIES FACTS

What is Rabies? Rabies is a deadly disease that attacks the nervous system. The virus lives in the saliva of infected animals. Rabies is fatal once it reaches the brain. The rabies virus only infects mammals, which puts pets, livestock, wildlife and people at risk.

How is Rabies Spread? The rabies virus is spread mainly through bites from infected animals. The disease can also be spread when infected saliva comes in contact with open wounds, skin breaks, or mucous membranes. Most often, domestic animals such as dogs, cats and farm animals pick up the virus from wild or stray animals. The animals most commonly affected include raccoons, skunks, bats and foxes.

How to Protect Yourself and Your Family? Avoid contact with all wild animals. Never feed a wild animal or take it into your house. Stay away from strays and other people's pets. Report strays to your local health department or animal control officer.

How to Protect Your Pets? Have your pets vaccinated. See your veterinarian for information about rabies immunizations and required booster shots. If you cannot afford vaccinations, many areas have clinics that offer discounted shots for pets. Never feed pets

outdoors and confine them to your property. Act on any attack or dog bite suffered to your pet. Immediately contact your veterinarian and animal control authority.

The Signs of Rabies? “Dumb Rabies”: The animal may become shy or hide. This is followed by sluggishness, confusion, and depression. “Furious Rabies”: The animal may become excitable and aggressive. It can go from being confused and calm to immediately attacking. Other signs include: daytime activity in animals normally active at night, staggering weakness and paralysis, a change in the sound of the animal’s voice, inability to eat or drink, drooling or convulsions.

What To Do if Your are Bitten?

1. Wash the wound thoroughly with warm, soapy water.
2. If the animal is wild, confine it, if possible and call the local animal control authorities.
3. If the animal is a pet, get the owner’s name and address and ask for proof of rabies vaccination.
4. Call your physician at once.

Respectfully submitted by Kathy Ross, Animal Control Officer

2009 TOWN REPORT, CENTRAL MAINE REGIONAL AIRPORT

The Airport was pretty busy during the year. Central Maine Regional Airport has more than 58 planes based at the airport, with 12 new hangar lots available to expand the pilot community.

CMRA has been able to find a new source to obtain Non-Ethanol fuel. This has made it possible for the Town to acquire 93 Octane non Ethanol fuel and make it available to pilots as well as the general public. You can purchase fuel during regular business hours. (9-2 every day)

This has been selling very well since many people now prefer the non ethanol fuel for outboard motors, as well as all small engines, and we would even occasionally have boats pulled in on trailers to fill up.

We also sell 100 LL for airplanes regularly and to racecar drivers during the summer months. Because we have competitive prices, we get a lot of activity flying in from other areas, even other states to purchase our fuel. It was a good summer for fuel sales.

This year has been a better year for flying due to better weather conditions. The annual Fly In hosted by the EAA Chapter 736 had a successful event in August. Many pilots around the state volunteered their time to give free “Young Eagles” plane rides. Many kids showed up to take advantage of the program. It was a great day for flying!

Kids enjoyed the RC plane demonstrations, the gyrocopters, military planes as well as Morgan Aviations candy drop. Food vendors sold burgers, hotdogs and the Flying Club hosted a public supper.

The Annual Fireworks Display had a great turn out as well. The show this year was spectacular. The company was right here from Farmingdale, Maine. The kids had fun with another candy drop done by Morgan Aviation.

Vendors were selling lots of popcorn, snow cones, cotton candy, hotdogs and other goodies. Glow sticks were all around throughout the show. The parking areas were filled!

Some new upcoming projects at the airport will be obstruction removal and main runway reconstruction, and taxiway reconstruction. Projects are due to start in 2011.

REPORT OF THE NORRIDGEWOCK COMMUNITY FOOD CUPBOARD

The Norridgewock Community Food Cupboard has had another successful year serving people from Mercer and Norridgewock.

Over the course of the year we have given out 886 baskets which represents approximately 53100 pounds of food. Nine emergency baskets were also given out.

Many families are struggling to meet their basic needs. The poor economy and job loss are to a great degree responsible for that struggle.

The food that has been given out has been made possible by the Town of Norridgewock, businesses and organizations in this town and other towns, sponsored food drives, local churches and many private individuals. Thank you for your continued support in this important service to our community.

We are also thankful for a committed, faithful group of people who volunteer week after week to make up baskets, load and unload trucks, stock shelves and help in any way that is needed. All their help is appreciated.

Respectfully submitted by Director, Alfred Cochran

REPORT OF THE NORRIDGEWOCK VILLAGE IMPROVEMENT SOCIETY

The Norridgewock Village Improvement Society, founded in 1892, completed another successful year, thanks to our dedicated Members with the generous support of the good citizens of Norridgewock.

This year we enjoyed an interesting variety of programs including a Book Review, Craft Projects, Historical Homes, Musical with Riverside Bell Ringers, Town Report update with the Town Manager, gardening and fun time at Members' homes.

Our meetings are held the second Thursday of the month, September through November and February through August.

Our supported projects this year included Senior Scholarships, Norridgewock Free Public Library, Norridgewock Christmas Giving Tree, Animal Shelter donations, Food Cupboard donations, Co-sponsors of the Community Service Awards with the Town of Norridgewock and the Chamber of Commerce, Norridgewock Historical Homes Registry with the Historical Society, medical donation to a Town Citizen, Flower Boxes at the Town Office, Rose Garden at Riverside Park, Sophie May's grave and donation to the A.L.S. Society.

Our Member Phyllis Barstow was honored with the 2009 Citizenship Award—
Congratulations Phyllis! It was well deserved.

Again, our Sincere Thanks to all our supporters. We welcome anyone interested to contact one of our Officers or Members. Our Current Officers are:

President	Betsy Lint
First Vice President	Sally Wilder
Second Vice President	Lucille LaPlante
Secretary	Reta Thebarger
Treasurer	Kay Laney

REPORT OF THE NORRIDGEWOCK HISTORICAL SOCIETY

The Norridgewock Historical Society has held it's regular monthly meetings in 2009. Focused on preserving the history of Norridgewock, the members have worked to restore the Museum building located on Mercer Street next door to the Grange Hall.

The building was painted outside through a very generous gift from one of the museum's members. The inside has had additional room preparation, cleaning and decorating also. This year at the request of a member and following discussion, it was agreed to meet at 1 P.M. on the fourth Wednesday of the month for the months of December, January, February and March. The membership will then reevaluate the meeting time for future meetings of the society.

In addition to the Memorial Day Celebration and Open House, It was decided to hold Sophie May Day celebration with stories, cookies and punch in July. A Halloween Open House was also held. Several members donated snacks and beverages and many 'dressed' for the occasion, including the scary man in the barn who begged to be freed, promising he "would not hurt anyone" this time. Good fun was had by all who came (approximately 75 people) to the open house and the membership is looking forward to more participation in the future.

Election Day saw the members busy with sales at the Historical Society table with sweatshirts, teeshirts, books and other memorabilia. Another new event was a food basket raffle at the Baptist Church Holiday Fair. Both events were fund raisers for the Museum. There will be additional fund raisers in the community in 2010.

Come join us for the coming year (or longer) and see what we are doing to provide for the development of the Museum and preservation of Norridgewock history. Monthly meeting include a business portion and a program of interest to the citizenry of Norridgewock. The meetings conclude with refreshments and socializing with other members.

A newsletter is published four times a year and is sent to those members who are up to date in their dues payments. Individual membership for one year is \$10 and a lifetime membership is \$100. Advertising in the newsletter is \$20 per issue and \$75 for the four issues per annum

We look forward to meeting You

Julie Drever, President

REPORT OF THE NORRIDGEWOCK AREA CHAMBER OF COMMERCE

The Norridgewock Area Chamber of Commerce has maintained our membership of about 130 members.

The chamber was proud to announce that Reve Baker and Helen Marshall received our Chamber of Commerce scholarships for 2009. Again this year, the Chamber involved with Oosoola Days celebrations and fireworks and was a great success.

We want to thank all Volunteers and Businesses that made the Oosoola Days Parade successful and a lot of fun for all. We had the Kora Karts again this year and many new faces as well. The size of the parade shows the support for our Chamber. Many thanks to all for your support.

In October the Annual Banquet was held and awards were presented to Oosoola Country Store and to Dave's Service. We enjoyed the evening and our neighbors in Business.

Members voted into Office were:

President Robert Gilcott

Vice President: Sylvia Miller

Treasurer: Kay Laney

Secretary: Kelly-Ann Withee

Advisor: Marlene Clark

In 2009 our Christmas Tree Lighting took place in front of the new Library, where there is now a permanent tree, donated and planted by Blaine and Sylvia Miller. Refreshments were served at the School where the Elementary School Choir and helpers sang carols. Santa again arrived in grand style on one of our new fire trucks driven by Chief Dave Jones. A special thank you to all for all the help to make this a great time for our children and community.

Our Christmas wreaths were made by Christal Siren and put in place by TDS Telecom. Our Thanks to all.

This year was the Fourth Annual Senior Citizens gathering at Fairmount Housing with refreshments, treats and gifts for all. A special thank you goes to Susie Campbell and Brenda Morgan for arranging gifts for everyone, and a Special Thanks to our anonymous donors to help make gifts possible. Thanks to all who donated time and food for this event.

The Chamber goal is to continue to work closer with our businesses and help in any way we can to stay a strong community. This could not be possible without all the Volunteers, Residents and Business Owners that make our Chamber successful and strong. Please take time to join us and be involved in your Community.

On behalf of the Norridgewock Chamber of commerce, thank you for all your help, dedication and support this past year. Let us work hard together to make 2010 an even better year.

Respectfully submitted by Robert Gilcott, President.

2009 ANNUAL REPORT OF THE KRDA (FIRSTPARK) TO MEMBER MUNICIPALITIES

I am pleased to submit the 2008-2009 Annual Report, highlighting some of the more significant activities of the KRDA and FirstPark during that period.

This was the second fiscal year that the KRDA operated under the reduced budget format that provided no funding from land sales or construction reserves.

The office was administered during the year by Executive Director, Leonard Dow, as the Administrative Assistant had resigned in July 2008. Substantial cost savings were realized, as the office was open four days per week and supplemented by contracted, hourly bookkeeping.

This year the KRDA did not have to issue a Tax Anticipation Note, as it did last year, to fund operations at the beginning the fiscal year, as member municipalities China, Waterville, Winslow, Fairfield, and Oakland prepaid their December assessments in July.

The Authority received \$15,000 from MaineGeneral Medical Center for Communications Cable Access to one of its nine telecommunications conduits.

Following the July 31, 2009 principal payment of \$155,000 on our original \$3.5 million construction bond, the balance stands \$2,445,000. The note with the Town of Oakland was extinguished in June 2009. About \$227,000 remains on the Camden National note.

Mainebiz continues to sub-let a portion of the FirstPark office space and to reimburse us for a portion of the Administrative Assistant's time.

The Central Maine Medical Center is making a presence in FirstPark by purchasing, or leasing several medical practices.

The KRDA's former speculative office building was purchased by Harpers Development, LLC in November 2007 and is now on the tax rolls.

In June 2009 the KRDA collected \$276,539 of an anticipated \$306,689 in tax revenues from the Town of Oakland, distributed \$207,404 (75%) to KRDA municipal members, \$51,488 to T-Mobile under our 25% TIF agreement, and retained \$17,647 in the KRDA TIF Escrow Account which is used to offset some of our debt service and operations. The \$30,150 anticipated but not collected due to a property owner not paying its taxes, will be apportioned on the same 75:25 basis once collected.

The KRDA's Personnel Committee is well on its way in the process to replace its Executive Director, who plans to retire early in January 2010.

Leonard A. Dow
Executive Director

2009 REPORT OF THE NORRIDGEWOCK FIRE DEPARTMENT

The Norridgewock Fire Department would like to thank the community for their continuous support throughout the past year. We would also wish to acknowledge our appreciation to the dedicated Firefighters and their families for their continuous support.

If interested in joining our team, see me at Dave's Service and fill out an application. You can drop it off at my garage on Wade Street or at the Town Office on Perkins Street. Our new website will also contain a wealth of information about the Department and links to some great educational interests. This site will be linked from the Town of Norridgewock's official site at <http://www.townofnorridgewock.com/>.

Carbon monoxide, you cannot see it, taste it, smell it, as it is the silent killer. Please, if you run a generator, operate your vehicle, motorcycle, snowmobile, etc. PLEASE run it outside and not inside your home, garage, or cellar. Also do your family a favor and purchase a carbon monoxide detector for that peace of mind. It could save your life! If you think you may have CO in your home, EVACUTE immediately and call **911**. *Effective this year that all rental homes & apartments shall have carbon monoxide detectors installed for the occupants. For more info please go to the following link:*
http://www.mainelegislature.org/legis/bills/bills_124th/chappdfs/PUBLIC162.pdf

For the prevention in chimney fires, a chimney sweep brush can be checked out for free to all citizens wishing to clean their chimneys. This is kept at my business on Wade Street. Fire / burn permits are also available here for citizens wishing to burn leaves, brush, etc. You can also go online to receive a permit for a nominal fee. That site is at
<http://www.maine.gov/burnpermit/>

Remember that it is illegal to have an outside burn without a proper fire / burn permit. You could be fined considerably if convicted.

If you have a fire hydrant in your front or back lawn, please keep it cleared out throughout the winter months and don't plow or snowblow on and around it. If able, please help out the Fire and Highway Departments to keep it shoveled out. Remember, this could be the hydrant you will need to extinguish your house!

Our Fire Safety House, as always is a big hit this year with visits to area Fire Department's *Fire Prevention Week* in October and to other special events throughout the county. To reserve this, the organization must contact me and they pick up the fire safety house and move it to their location. This is funded by donations only of the users for the upkeep of this marvelous training aid for the young and old. We want to recognize Firefighter Jim Gordon for playing Santa for the last 23 years as many townspeople, both young and old, await for his visit to their homes passing out Christmas candy. Thank you Jim!

We want to stress the importance of dialing 911 instead of any other non-emergency number. Our Department is not staffed at the station on a regular basis so it is imperative for everyone to call the emergency phone line at 911 to expeditiously start the emergency services in the quickest means possible. Our non-emergency number is 634-2208 and you

can also call the *non-emergency* Somerset Communications Center phone number at 474-6386. If you wish to speak to a Firefighter during normal business hours, please call the Town Office at 634-2252.

REPORT OF THE NORRIDGEWOCK PUBLIC LIBRARY

In April of 2009 the doors to the new Norridgewock Public Library were opened and an open house was held.

The library is located on the Mercer Road next to the new Mill Stream Elementary School. The Library hours are:

Tuesday	10:00AM to 6:00PM.
Thursday	10:00AM to 6:00PM
Saturday	10:00AM to 2:00PM

The Library is steadily getting new books as we try to keep up with the New York Times Best Seller List. We also try to get in a few books by request. We have a nice selection of large print books, books on tape, and videos. We would like to thank all those who have donated books, CD's and videos.

Our new librarian, Nina Pleasants, has been very busy cataloging our collection of books on line, as well as organizing the new library. We have two new computers and offer WIFI at the library. These services have been very well received in the community. We are also pleased to have two new computer desks. (Many thanks to the Public Works Department for their help with this project.)

The library is seeing a growing interest in Inter-library loan request. 10 Classes from Mill Stream Elementary School have visited the library for tours. In March, Barbara Welch, from the school will be introducing a trial Story and Craft Time for children in K-3rd grade on Wednesday from 3 to 4PM.

An Adult Book Club has started with 8 members and growing. It meets the last Tues. of the month from 6:00 to 7:30. The next meeting is Feb. 23. Stop by and get all the details from your friendly librarian.

In December, 192 Patrons visited the library, 254 books were loaned, 46 people used the computers and 15 new library cards were issued. January there were 299 patrons, 391 books loaned, 66 people used the computers and 17 new library cards issued. The use of the library seems to be increasing very steadily.

The Trustees have a meeting scheduled with the State Librarian on Feb. 23, to gain knowledge as to how to best develop the Library on Sophie May Lane into a Historical, Genealogical Research Center. We have many historical documents and would like to see them preserved and displayed in a proper manner. Volunteers are welcomed, as are suggestions from the public.

The Trustees are also working to help raise the matching funds for the computer grant from Melinda & Bill Gates, which will give us two more computers. In December we sponsored a Book, Video, & CD sale and brought in \$150. We encourage you all to use the library and we welcome any suggestions you may have.

The Norridgewock Library Trustees for 2009 were: Gloria Frederick, Chairman, Sallie Wilder, Vice Chairman, Ruth Keister, Secretary, Brenda Obert, Treasurer, and Lisa Frederick, Program Coordinator.

Thank you for your continued support.

Gloria J. Frederick, Chairman
